

Rule 64F-21.001 for 383.2162(5) F.S.

64F-21.001 Modified Fetal Infant Mortality Review Specification

(1) Existing FIMR teams, processes, and team members may be utilized in the examination of black fetal and infant deaths. Coalitions participating in this initiative must ensure that members are represented as required by section 383.2162(5)(c), F.S.

(2) Priority of award selection will go to counties representing Coalition areas that meet the criteria listed in section 383.2162(6), F.S. These include the following eight counties: Broward, Dade, Duval, Gadsden, Hillsborough, Orange, Palm Beach, and Putnam. In the event that both a State and Federal Healthy Start Coalition representing a single county exist, only one application from that particular area will be accepted as a potential candidate for an award.
